Eng., Inc.
Grand Haven, MI

2000 - 2026: Professional Land Surveyor, Project Consultant, and Project Manager
Other professional consulting firms

Sam Miles comes to Eng. as a Professional Surveyor, licensed in five states, with over 20 years of experience in ALTA, boundary, topographic design, telecommunications, energy, environmental, hydrographic, pipeline, and transmission line surveys, as well as boundary, construction, and ROW staking. Additionally, he brings eleven years of field survey experience and nine years of office experience as a Professional Surveyor. Tasks he has performed over the past two decades include developing survey costs, schedules, and scope; management of survey projects including both field and office operations; and oversight of field crews and CAD technicians for accurate recording. Eng. looks forward to implementing his impressive expertise to manage our growing Survey Department. Mr. Miles' project resume includes the following:

Representative Projects (Eng.)

- FY27 STP, TAU, VRU projects (Waverly Road and Jolly Road), City of Lansing, MI
